

## Putney High Street, Putney

The proposed mixed-use scheme for a redevelopment opportunity site on Putney High Street currently occupied by a sub-standard two-storey retail building. The new proposals provide 3,600m<sup>2</sup> of high-quality double-height retail space with smaller community shops centred around a new landscaped square and 130 mixed-tenure apartments accessed off a raised roof garden. The apartments are arranged around the roof garden in blocks of varying heights to address privacy, daylight and sunlight and street-scale in a sensitive manner. The highest block on the high street provides roof top duplexes with views to the river.
